

# **Canal plan is so vital**

**I FIND Jeremy Sutton's letter (Business Week, SA, July 25, entitled 'Don't let canal get in the way') very negative indeed!**

**He obviously has no interest in Swindon's heritage at all! The Wilts & Berks Canal project must go ahead.**

**It will bring good income and tourism to our town. If they destroy all of our heritage what will generations of the future have to look forward to? At the end of the day it's all down to sheer greed, build everywhere and sod what is important to the older generation!**
