

Jams throw up canal doubts

16-8

I HOPE Mr Bluh and colleagues read about the traffic congestion in Kingshill, Wootton Bassett Road and Westcott Place owing to the road works in Kingshill.

Please could he tell us where the traffic is going to go if they go ahead with the canal across Kingshill, Wootton Bassett Road and Westcott Place? They ought to go and study the traffic now.

MAUREEN CLEMENTS
William Street, Swindon
