Take a walk along canal

WALKERS are being invited to join a canal stroll this weekend.

The Wootton Bassett branch of the Wilts and Berks Canal Trust will run two guided walks alongside the canal tomorrow.

The walks will start at midday and 7pm at the canal car park, in Marlborough Road.

The branch has also launched a new leaflet describing a walk along the route of the canal from Templars Firs to Chaddington Lane.

The walk will follow this route. Copies of the leaflet will be available on the day.
