

REMEMBER WHEN

Your aerial memories — each Monday this year we have published photographs taken above Swindon from years gone by. Here are some of the recollections they have prompted...

Remaining canal bridge is on Shrivenham Road

IT'S said that Swindon is a town that has been under development for the past 160 years and your letters continue to prove just that.

Many thanks to Frank Gleed who pointed out that the Drove Road Bridge

over the canal was demolished some time after the First World War.

The remaining bridge over the former North Wilts Canal, pictured, is situated on Shrivenham Road, north east of the

Magic Roundabout.

Please keep your aerial memories coming in. Write to Aerial Memories, Swindon Advertiser, 100 Victoria Road, Swindon SN1 3BE or email aerialmemories@swindonadvertiser.co.uk.
