

BBQ and Exhibition

The Peterborough Arms, June 18th 2016

The Wilts & Berks Canal Trust were delighted that many of our friends and supporters who helped us purchase The Peterborough Arms were able to join us on the 18th. Our Chairman Roderick Bluh and CEO Jonathan Till said:

“Today is all about saying thank you to you for your support over the last two years... and to celebrate the efforts of all those volunteers who have given their time so generously to get us where we are today in our restoration process.

We have had many exciting announcements to make over the last few months: the renewal of our patronage by HRH The Duchess of Cornwall; the joint project funded by People’s Post Code Lottery with CRT and Help 4 Heroes; and the transfer of land from Wiltshire Council to us... to name just three.

But in the end our success comes down to people: to our volunteers and supporters who believe in the project, and who give us so much of their time. We can achieve great things when we work together.

Thank you so much from all at the Trust.”

***It’s time to create an environment
both we and our children can be
proud of...***

It’s time to inspire and excite...

***It’s time to put our canal at the
heart of everyday life ...***

We entertained some 150 supporters, volunteers and representatives from community groups during the afternoon, no rain fell... and we raised another £800 in donations from our kind and generous guests, to support the refurbishment of the community rooms at the Peterborough Arms, which is now the HQ of the WBCT.
